# About US

## 1 TEAM MISSION

### A Growing Presence in UAE

Al Zaabi Group has come to stay as an integral part of life in the UAE with its excellent performance and ever-expanding presence in the emerging market segments.

As a proactive corporate enterprise, the Group has a significant presence in divergent fields such as Automotive, Construction Materials, Transportation, Healthcare, Legal Services; and excelled in all the realms with its strong focus on customer satisfaction and commitment to quality.

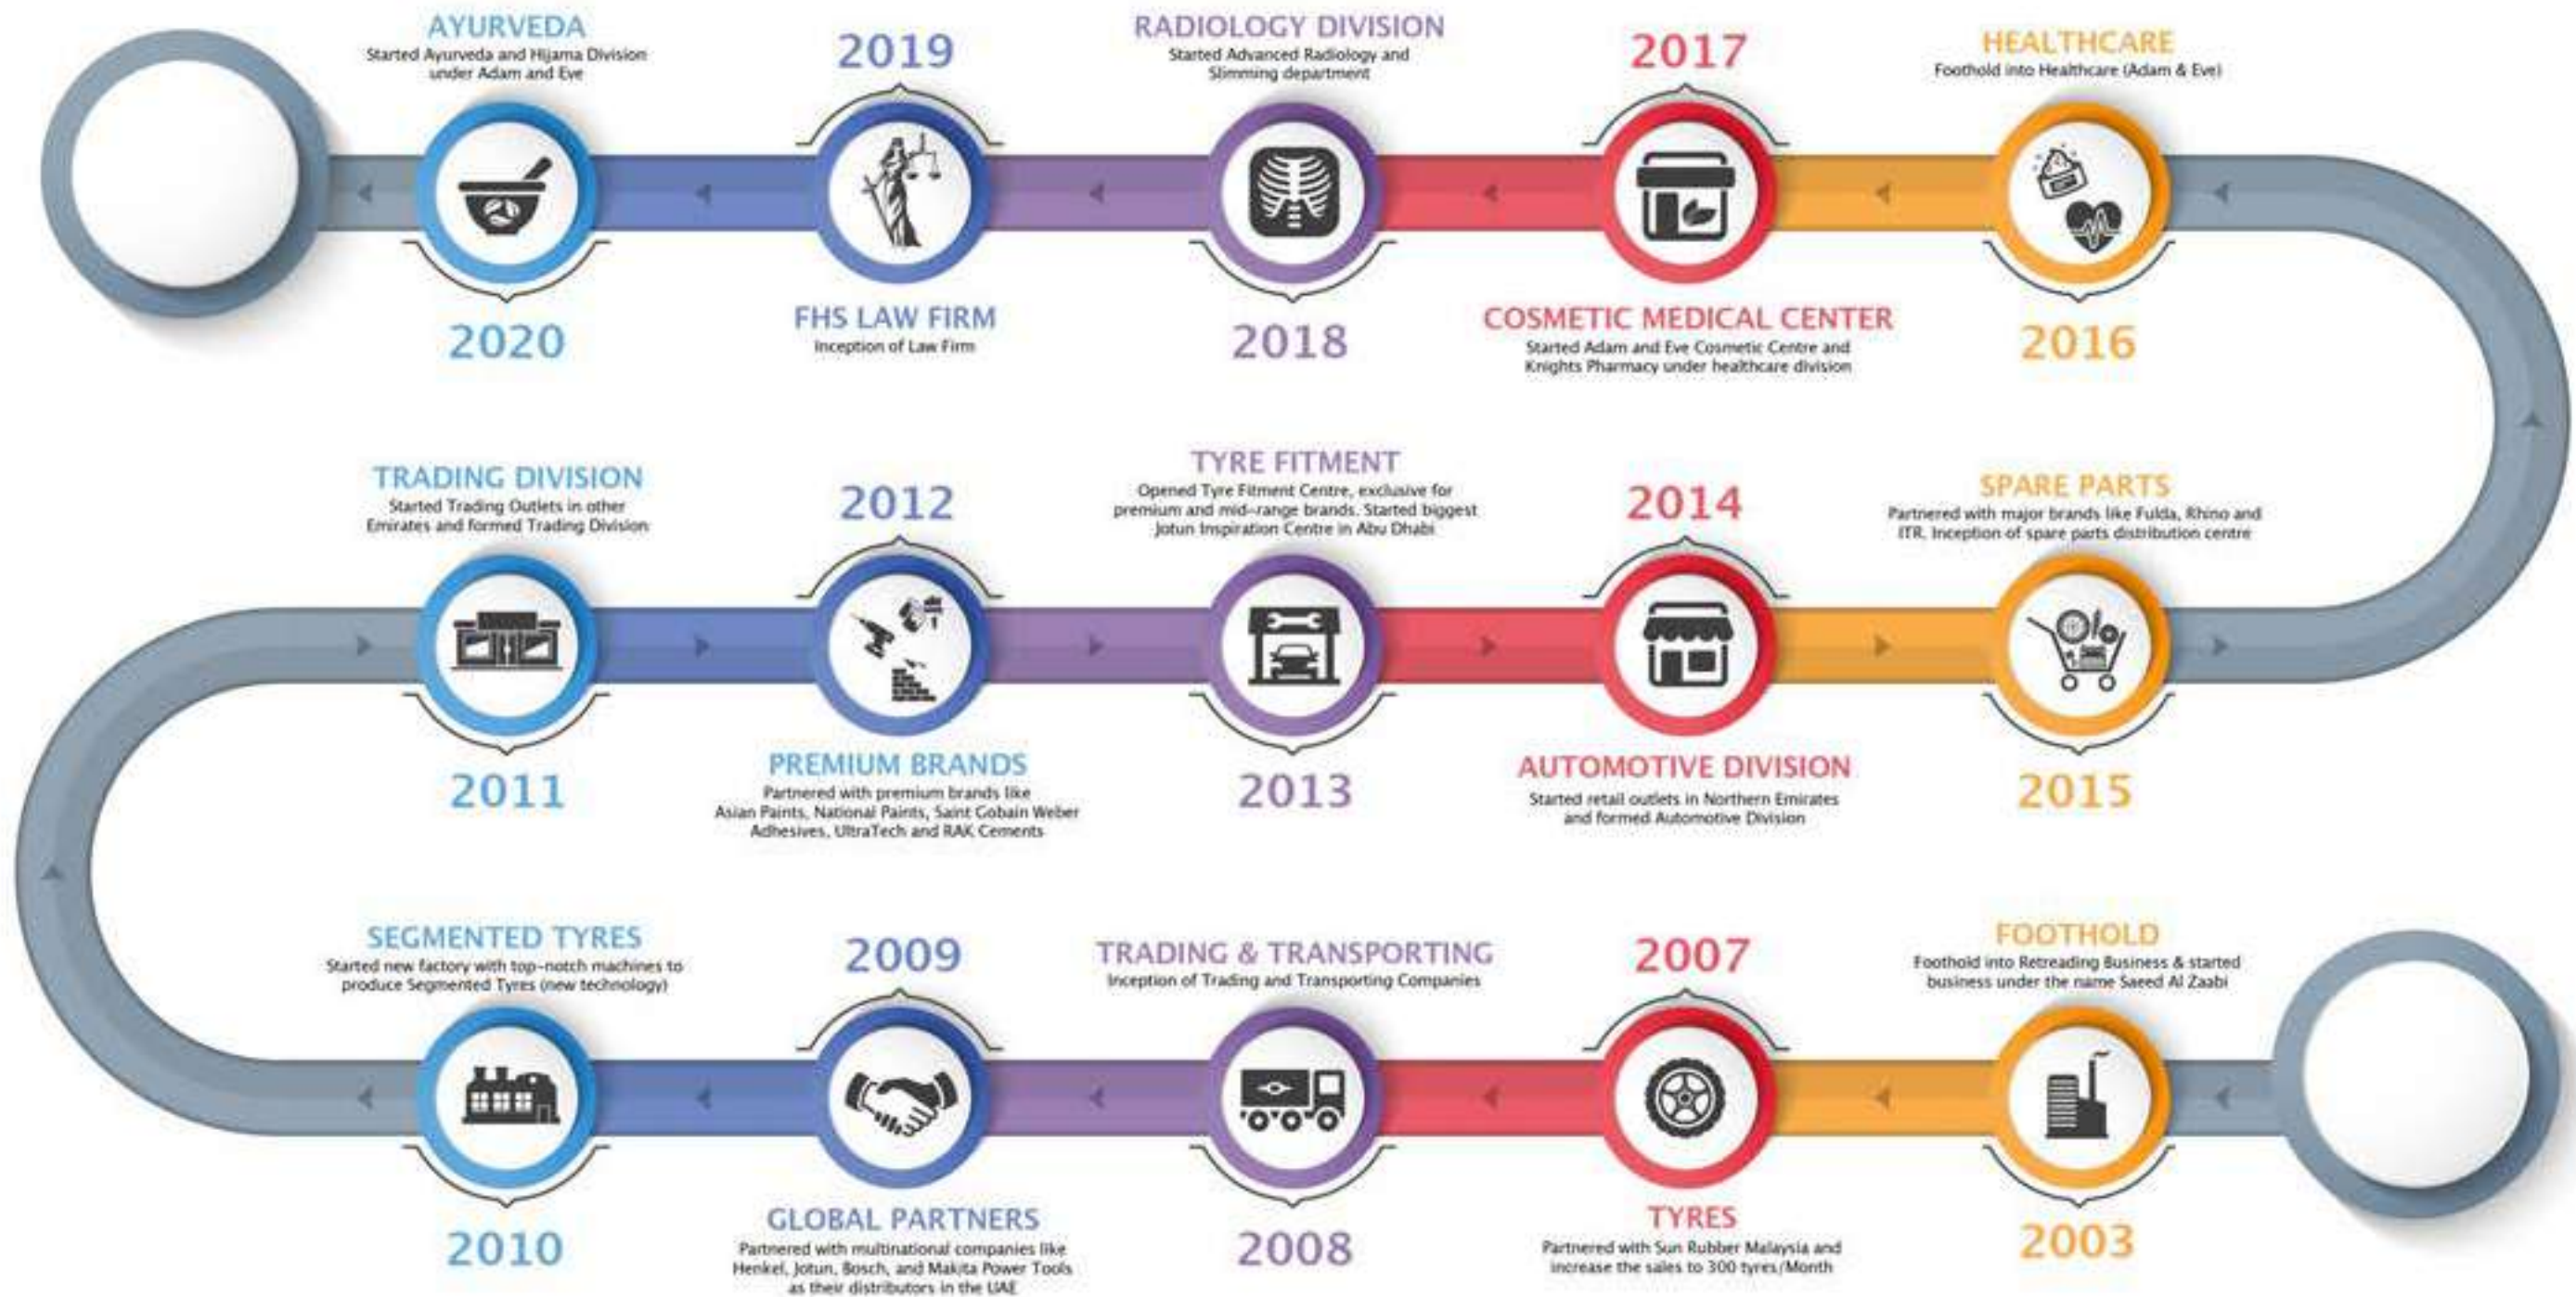

The Group continues to explore newer horizons of service to the nation through strategic diversification to match widening market needs. Strengthened by its solid reputation for customer focus and reliability and supported by a diligent workforce and in-house R&D department, the Group emphasizes continuous improvement through innovative thinking. Al Zaabi Group reflects the enduring values of enterprise and trustworthiness that UAE is synonymous with and is well geared up to share the nation's dynamic growth and progress in the time to come.

# Pioneering Business

# Our Mission

Al Zaabi Group is committed to the relentless pursuit of excellence in all our endeavours, through conformance with the highest quality and safety standards, delivering our projects on time and on budget. We shall sustain our partnership with our principals, customers, and the government by way of best business practices, value addition and total adherence to statutory requirements.

We will foster our growth and success by investing in innovation and technology, continuously improving our systems, empowering our people to perform and rewarding them appropriately. We are committed to the health and safety of our people and to the betterment of the society and nation at large.

# Our Vision

Al Zaabi Group focuses on utilizing our resources optimally and growing into one of the top-notch corporate entities in the land through consistent expansion of business operations, continuous emphasis on customer satisfaction and strategic diversification into emergent business segments with potential.

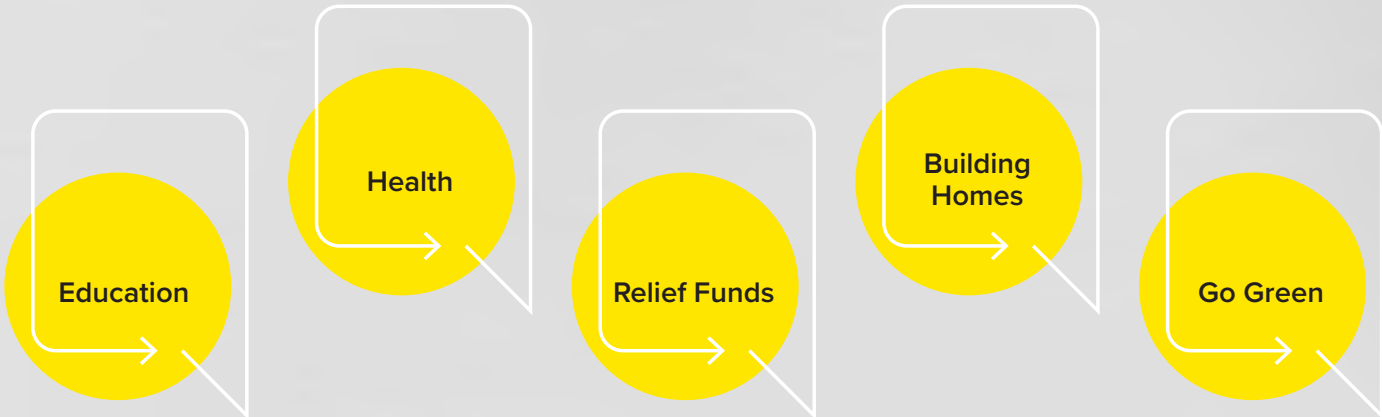

# SOCIALLY-CONSCIOUS PROGRAMS FOR A BETTER WORLD

## CSR

We believe social responsibility is a perennial investment, and our initiatives will influence and improve the quality of life. Over the years, we have strived to serve society through various programs and by introducing sustainable measures. We work in close collaboration with NGOs to support the low-income communities for education, making women self-reliant programs and community engagement for environmental transformation.

Al Zaabi Group is a company where social responsibility is deeply enshrined in our vision and value system. Stemming from our core value of sustainability, our initiative empowers the lives of millions and paves the way for a brighter future.

## Chairman's Message

### A Winning Combination of Minds

Behind the phenomenal growth of Al Zaabi Group as one of the highly preferred service providers in the UAE market are the absolute trust and confidence reposed in us by our valuable clients and the support and patronage extended by our business partners.

The steady growth and success enjoyed by the Group vindicates the pivotal role it plays in the rapidly changing business environment of the UAE. I earnestly believe it is not just quality but also promptness in service, responsiveness to customer needs and total reliability that has made our Group one of the most preferred service providers in the country.

Our mission is to provide the highest standards of quality, safety and value engineering for the benefit of our customers, nation and society through professionalism, work ethics and customer focus. I am profoundly thankful for our team of professionals and our inspired workforce who have time and again proven their deep commitment to our core values and corporate vision.

The challenges are daunting and the competition is intensive, but Al Zaabi Group will continue its strides towards excellence and add many more annals to its saga of success.
